SOMETHING FOR KATE!

Ms Upton's legendary love tunnel finally revealed

THE things you miss when you're not paying attention, eh.

Three years ago, when babe of the century Kate Upton turned 22, Seppo magazine Sports Illustrated celebrated the milestone by running 22 snaps of the adorable, large-boobed SNUGGLE BUNNY from several previous issues in which she'd

appeared.

The tribute included some from the photo session where she appeared NAKED except for a layer of paint over her INTERESTING BITS.

But instead of running the photo in which Kate's PLEASURE DENT and flower-like LOVE LIPS were discreetly airbrushed out, apparently somebody bunged in the untouched-up photo, with the international superstar model's precious FUN ZONE on display.

And so, in the interest of historical accuracy, HERE IT IS.

Right IN YA FACE, as it were.

Treasure this moment 'cos it's most likely the only time you'll ever see this glimpse of paradise, that right being reserved for her fella, Major League baseball pitcher Jason Verlander.

Still, we can all dream, can't we? **Picture**

WHATTA LOAD OF ARSE

You'll always have somewhere to park ya bike with these porn

AJ APPLEGATE

With her porn nickname 'the booty queen', you know just what you're gunna get with AJ - arse, and lots of it. At damn near a metre around, it's a thing of great beauty.

AMIA MILEY

Amia is part Italian, part Hawaiian, and from this angle at least, nearly all bum. A seven-year porn vet, when she retires, she'll always have something to fall back on, hyuk hyuk.

AS THE Pommy rock group Queen once sang, "fat-bottomed girls make the rockin' world go round."

Amen to that, Freddie. 'Cos these days a behemoth bum is something to be treasured.

Look at Kim Kardashian's. It pretty near blocks out the sun. It has its own TWITTER ACCOUNT. Chances are it'll be the next president of the United States, so you wouldn't want to get on the wrong side of it!

Yeah, in 2017 arses rule, and to celebrate the Age of the Arse we proudly present eight pages of bodacious booties, many of which could give Kim's a run for its money.

And that reminds us – we must get the office sofa re-upholstered...

ALLIE & RACHEL

Allie Haze and Rachel Star are seen here having a friendly butt-off to decide who gets the last Tim Tam in the packet. It's pretty close but we have to go with Allie. Give that girl the biscuit!

LOAD OF ARSE!

**ANNIKA
ALBRITE**

Annika's another metre-maid –
a full 100cm around the blurter.
She's put her beaut butt to good
use in her six years in porn and
it's still going strong.
Hooray for Annika's
arse!

MIA MALKOVA

Round, robust and rootable, Mia's awesome arse has had star billing in many of her more than 300 porno scenes. We hear it even gets its own trailer and make-up artist!

LOAD OF ARSE

ABELLA DANGER

Abes didn't realise what an asset she was sitting on when she was younger. "I hated it, boys said I walked like a duck. But then I realized it was good to be different." And so a star was born!

VALENTINA NAPPI

Nourished to cushiony beauty by years of spag bol, Italian babe Valentina's bum is like something Michelangelo would have painted in olden times. Indeed, many men paint it today – with their spool!

LOAD OF ARSE!

**KEISHA
GREY**

Keisha likes her big bum. Well, she'd be mad not to, eh. She likes it so much it even influences her choice of rooting possies. "I like reverse cowgirl because I like to show off my ass," she reckons.

**KELSI
MONROE**

So many of her scenes feature the words "booty", "ass" and "anal" in the title, we get the feeling Kelsi is trying to tell us something. When we work out what it is, we'll let you know.

AMBER ROSE

Believe it or not, this shit happened!

GAY TORTOISE!

THE world's oldest living land critter has turned out to be a CHAMPION HOMO! Jonathan is a tortoise living on Saint Helena, a Pommy-owned island way off to buggery in the middle of the South Atlantic, the joint where they bunged Napoleon to keep him out of trouble. Jonathan's 186 years old, and 26 years ago they hooked him up with another tortoise called Frederica – who everyone assumed was a CHICK – for some NOOKY. They've been happily BUMPING SHELLS ever since. Well, start waving those rainbow flags, gay buddies, 'cos a recent medical examination revealed that Frederica's actually a BLOKE! It hasn't stopped them having VERY SLOW SEX, but, probably with a Kylie album on to set the mood.

PLAYING POSSUM

MAYBE this carpet python and brush-tail possum were deeply in love and just playing a bit of KISSY-FACE. Maybe they were practising their act for Cirque Du Soleil. And maybe Tony Abbott ain't angling to be PM again. Not fucken likely. Peter McMaster captured this example of Australia's beaut nature in the raw in his backyard in Tingalpa, Qld. And, as ya do, he called his kids out to have a look. "It was just an unbelievable thing to see, especially for the kids," he reckoned. Like that won't give 'em nightmares or anything!

SPOKE « TOO SOON!

ROARING around in the scrub like a MUG LAIR on ya Husqvarna at a gazillion kays an hour, who would ever think something could go wrong? Well, it did for this tree dodger somewhere along the trail during the West Helsinki Meatball Rally and Smorgasbord Picnic, or something similar. The silly cunt went a bit sideways, jammed his boot down between the swing-arm and the rear hoop, and next thing ya know they're having to rip the wheel off to free his worthless leg. Motocross riders – they're all fucken mad. Erm... don't tell 'em we said that, but.

SCHLONGENSTEIN!

BE CAREFUL what you wish for. If you've ever fancied having a massive cock and balls, take a look at how FUCKED it can be. Kenyan bloke Horace Opiyo ended up with a metre-long schlong and balls weighing five kilos due to scrotal elephantiasis. The otherwise normal 20-year-old couldn't walk properly, or even sit comfortably, and playing a game of footy was out of the question. He couldn't afford the surgery to give him a normal meat-and-two-veg, but HEROICALLY, the government kicked in the dosh, so he has a tool kit to be proud of and plans to start a family. Go Horace!

FUCK YOU, ROMAN!

DO MY NIPS
LOOK BIG IN
THIS?

FEMINIST protesters demonstrated at a festival of director Roman Polanski's movies at a cinema in Paris in the most logical way possible – by getting their tits out. Yes, it was our old mates in the organisation Femen going NORKS AKIMBO to show their disgust at the wrinkly old rapist being honoured at the Cinémathèque Française with a retrospective of his work and a showing of his new flick. Polanski pissed off from the US while on bail after his conviction of the drugging and rape of a 13-year-old girl in 1977. What a nasty old cunt!

It'll buff

BIRD VS PLANE

NBA team the Oklahoma City Thunder was nearly DISENFRANCHISED after the plane they were flying in from Minneapolis to in Chicago was SMASHED by a birdstrike. The Boeing 757-200 looked like it'd gone 10 rounds with Floyd Mayweather, its nose all MOOSHED in, but a spokesman for Delta Airlines said it was most likely a bird. That makes sense – Floyd would've charged at least \$100 million to do that much damage.

CAP MAP!

Champion makes map of Oz from booze bottle tops

IT'S good to have a dream. Dean Ballard had one, and unlike most of youse lazy pricks, he did something about it.

Deano, from Brisbane, made a friggin' Y0000J map of Australia out of booze bottle caps.

OK, it's not curing cancer or single-handedly bowling out the Poms 10 for zip, but it's SOMETHING, godammit.

We chatted with Dean about his life's work. Here's what he had to say: **Dean, MAAAAATE, how long did it take to make this beautiful thing?**

"I collected a lot of the tops with my father-in-law over a few years, then took some time off to drink cans. But the actual build process took just over two months."

Giz some stats, buddy.

"There are about 4000 tops, and there's a whole mix in there, including XXXX Gold, Great Northern, a Tooheys cap for Sydney, VB for Melbourne, NT Draught for Darwin, West Coast Cooler for Perth, Cruiser top for Adelaide, the XXXX Gold State of Origin caps for Tassie and Brisbane and a Breezer cap for Canberra."

So when are ya gunna tackle the rest of

the world?

"I dunno if I can drink enough Bintang to make Asia!"

Mate, no-one could. That stuff makes us fart something chronic. What do you plan on doing with this work of art now? Donate it to the National Gallery in Canberra maybe?

"Nuh. It's hanging on the wall in my man cave."

You should charge admission. You'd make a fortune! ■Picture

YOU know what's coming, don't ya? The Poms. Test cricket. Days and days – MONTHS, actually – of endless: "...and the batsman just scratched his left nut, which we haven't seen since is the 1956 tour of Botswana blah blah fucken blah..."

If that's your thing, good luck to ya, but here at THE PICTURE we felt the test series concept could do with a kick up the arse, and so, without further a-fucken-do, we not-so-humbly present to you the Babe Ashes, Australia versus England.

Tit against tit. Smoo against smoo. Pert, bouncy arse against pert, bouncy arse.

A COUPLE take their son to a nude beach for the first time. The dad goes for a walk along the beach and the son goes to play in the water, while the mum sunbakes. After a few minutes, the boy runs back to his mother and says, "Mum, I saw some ladies with boobies a lot bigger than yours!"

She replies, "Well, the bigger they are, the dumber they are, sweetheart!"

So the little boy runs back into the water and continues playing. A few minutes later, he runs back again and says, "Mum, I saw some men with dongs a lot bigger than Daddy's!"

"It's the same as with the ladies boobies, sweetheart – the bigger they are, the dumber they are!" she replies.

So the little boy runs back into the water. Another couple of minutes later he runs back to his mum and says, "Mum, I just saw Daddy talking to the dumbest lady I ever saw, and the more he talked, the dumber he got!"

The redhead made it to the 45th step and laughed. The brunette made it to the 200th step and laughed.

But the blonde made it all the way to the 999th step – then laughed even before God told his joke.

A BLOKE pestered the prettiest girl in town for a date until she finally agreed to go out on a date with him.

He took her to a classy restaurant and bought her all the best stuff on the menu.

Then when he was driving her home, he pulled over in a secluded spot and started kissing her.

But as he reached under her skirt, she grabbed his hand and said she was a virgin and wanted to stay that way.

"Well, alright," he said. "How about a blow job instead?"

"Yuck!" she screamed. "I'm not putting your thing in my mouth!"

"OK, what about a hand job?" he asked.

"That sounds better," she said. "But I've never done that before either. What do I have to do?"

"Remember when you were a kid and you used to shake up a Coke bottle and spray it around?" the bloke said.

The girl nodded.

"Well, it's just like that."

So he pulled out his dick and she grabbed hold of it and started shaking it up and down. A few minutes later, the bloke's head flopped back on the headrest, his eyes rolled back in their sockets, snot ran out of his nose, wax blew out of his ears and he screamed in pain.

"What's wrong?" the girl cried out.

"For fuck's sake!" he sputtered. "Take your thumb off the end!"

MUNGO'S ON TWITTER

That's right, I'm tweeting me heart out for the people. None of that what-I-had-for-brekky or I-just-done-a-big-poo stuff, just my usual classy shit. It's at: <https://twitter.com/ThePictureMungo>

DEMOCRACY IN ACTION

MUNGO, since you asked last issue, my idea for improving the country is to make it compulsory for every politician to show up down at the pub on Friday arvo, shout the bar, and explain in detail every fucken thing they've done in the past week to earn their wage. And if it's not good enough, they get a mob beating in the bloody carpark.

K.T., EASTERN CREEK, NSW

MUNGO SAYS: *Harsh, but fair. We get a free drink, they get a kicking. Or, in the unlikely event they can prove they've actually done something useful, they get to go home with their teeth. I can't find anything wrong with that idea.*

SMOO OF A KIND

CALL me crazy, but there's something about Elen, the Home Girl from #1443, that reminds me of Jennifer Aniston. I know Elen's a ranga and Jennifer isn't, but when I saw her in the buff I got an enormous *Friends* horn that just had to be dealt with.

B.M., LEICHARDT, NSW

MUNGO SAYS: *The pointy chin, the cheeky grin, the dimples... I can see it. Not exactly identical twins, but yeah. I have to admit I once had the horn for Jen, too, but since she never answered any of my obscene emails, she can go and get fucked. I'm sorry, but manners count.*

SOPHIE AND MUNGO SITTIN' IN A TREE

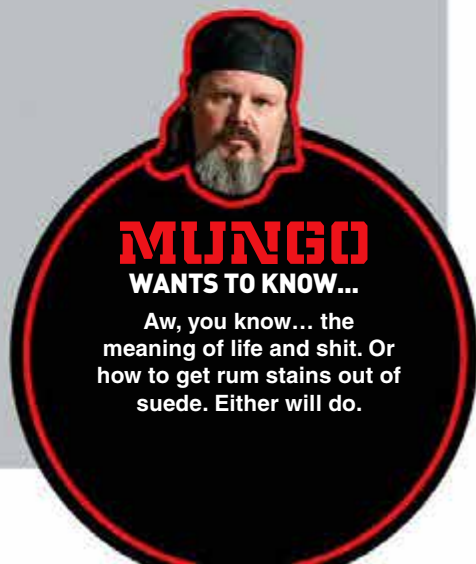

MUNGO, how come you didn't get a run in *The Bachelorette*? I reckon Sophie Monk would've picked you for sure. You would've been a shoo-in over all those other wankers. If she dumps that dick she ended up with, ya gunna have a crack at her?

E.M., CANOWINDRA, NSW

MUNGO SAYS: *Sophie's alright. I wouldn't kick her out of bed for picking her bum. But I believe I've made my thoughts about reality TV pretty fucken clear – it's crap, everyone who appears in one of those shows is a shitweasel (except for Sophie), and anyone who watches them is a fucken dope. Pretty reasonable, I reckon.*

ATTACK OF THE CLONES

MUNGO WANTS TO KNOW...

Aw, you know... the meaning of life and shit. Or how to get rum stains out of suede. Either will do.

GOD LOVES A BLOWIE

HEY Mungo, apparently God does not mind if you get your dick sucked. It's in the Bible. Just make sure you wash it first: "Like an apple tree among the trees of the forest is my beloved among the young men. I delight to sit in his shade, and his fruit is sweet to my taste." (Song of Solomon, 2:3.)

K.R., MOUNT MORGAN, QLD

MUNGO SAYS: *From now on if any sheila doesn't gob my knob, I'm gunna say, "It's in the Bible, sweetheart, God'll be pissed off if you don't throat it." And going the growl is also encouraged in the good book. Ahem... "Blow on my garden, that its fragrance may spread everywhere. Let my beloved come into his garden and taste its choice fruits" (Song of Solomon 4:16). If that's not God telling ya to get a face full of flange, I dunno what it is.*

TWOFOR DEAL!

MUNGO, I heard two of your recent PICTURE babes, Ashton Avenue and Isabel Deltore, do double shows together. Sounds like a great excuse to have the pair of them in the mag – like TOGETHER, known what I mean? They seem like two of the coolest

babes around, and I'd say for sure they'd do a sexy two-girl shoot for THE PICTURE.

MATTO, MELBOURNE, VIC

MUNGO SAYS: *Matto, you're a genius! No other word for it. I'm dialling their numbers right now. Let's see if we can make this happen.*

WHO'S LAUGHING?

ERM... I'M
JUST WAITING
FOR A MATE...

STOP FUCKEN PRESS

YOU FUCKEN DOG!

PRETTY it ain't, but you have to give this hyena brownie points for guts when it refused to be fucked over by a pack of African hunting dogs in a nasho park in South Africa. Normally we think hyenas are **CUNTS**, trouble is them African hunting dogs are **WORSE** cunts, so this time we have to throw in with the **LAUGHING BASTARD**. It all happened on a river bank in the Sabi Sand game reserve, where our hero was minding its own biz, chewing on a rotting baby impala or something, when the gang of doggies jumped it. There was one helluva brawl, and we wouldn't be at all surprised if the low dogs pulled **KNIVES**, but eventually the hyena kicked their steenky arses.

TRENDY!

No doubt about it, he's a pussy magnet. And from the way his socks and jocks match, we'd say he's been reading *Men's Style*!

More real Russian dating sites pics. True love awaits!

DON'T BE
VOLGA,
DARLINK

HELLO, comrades! Is DA PICTURE's Russian correspondent Polina Kokoff here. Many Russian singles still wish to make rootski with nice Aussie boys and girls, so I bring

you more real photos from Russian dating websites.

Is easy. Just pick one you want, send details of tractor you drive, and credit card number.

Then you get to do to them what we do to Ukraine! **Picture**

RINSEY!

Not only is this one willing to DO your laundry, she's willing to BE your laundry. At least she's guaranteed to be clean.

YOU LIGHT UP
MY TOILET....
ERM.... LIFE!

FLUSHY!

Her family was the first in their village to have indoor plumbing, so obviously her dad won't let her date just anybody.

MUTTONY!

That's a dating site no-no – putting up a picture of yourself with your ex. Still, it shows he's a sentimental son-of-a-gun!

CLUCKY!

Have own chicken. Would like man with deep-fryer, rank of colonel or above. Or maybe just have threesome...

CHOPPY!

An early elimination from last year's Russian series of *The Bachelor*, Naomi still battles her fear of rejection.

She's been

much tennis

SPICY!

We think what's she's trying to say is that it doesn't matter how SMALL your GOODS are, she'll suck 'em anyway.

TWIST AND SHOUT!

I STARTED dating this chick and whenever we fuck she clenches her fists really tight and lets out this low grunting noise. I asked her about it and she said it makes her orgasms better – the clenched fists for circulation and the grunting reverberates in her pelvis. Is any of that nonsense true?

R.G., TULLAKOOL, NSW

TRINITY SAYS: *To be honest, all sorts of weird shit work for some people. Hence the term; different strokes for different folks. Although, it does sound a bit odd if you ask me. I'm sure if she educated herself there'd be loads of other ways she could increase the stimulation/intensity. Maybe you can learn them together, it will be fun and you'll both benefit.*

HUNGRY FOR LOVE

I HEARD that oysters get chicks heaps horny. Is that true? Why don't more blokes sneak oysters into chick's meals, then? Is there a food that gets you wet?

P.V., MOGILLA, NSW

TRINITY SAYS: *I reckon that's a load of crap. You're either good to go or you're not. You'd have to eat a fucking truckload for these types of aphrodisiacs to work – few champagne's would be just as effective! As for me, a good sense of humour and dirty talk work just fine.*

BAD VIBES

IT WAS my missus's 50th recently and one of the presents I got her was one of them expensive vibrators you see in the pornos, a Hitachi, and she fucken loves it. So I'm happy she likes my pressie, but now she only wants to use that! And even when we do root, she'll go off into the bathroom alone straight afterwards and keep using the fucken thing! Should I run over the cunt in my truck? The Hitachi, not the wife.

TRINITY SAYS: *Ha! Mate, you're gunna have to up your own game. Vibrators definitely give more of a powerful orgasm, but don't let that deter you, just increase your skills and yes, secretly throw the thing out. It desensitizes the pussy after a while anyway, so your efforts won't be as appreciated. Sad, but true.*

PREDIC-TRIN!

TRIN, being the sexual deviant you are, do you reckon you can tell what people like in bed just by looking at them and hanging out in regular life? Whaddya reckon big Mal Turnbull's into in the sack?

HORNDOG, EDITHBURGH, SA

TRINITY SAYS: *No idea who that even is – a politician, I think. Never gave the fugly bloke a second thought. In my experience though, don't judge a book by its cover. A lot of people are all talk and no game. It's the dark horses you gotta watch out for. The unexpected are usually fucking epic.*

PULLING POWER

I GOT a problem, Trin. None of the chicks I'm with can make me bust a nut by giving me a wristy or by blowing me. I can jack myself off sweet, but no one else can. Are they just not doing it right?

P.H. DARDANUP, WA

TRINITY SAYS: *Absolutely it's their fault. Plus, you've probably gotten to a point where you've mentally blocked them before you've even given them a chance. However, a good one will have your toes curling no matter what.*

A FUNNY FETISH

HI TRINITY, I was hanging with friends recently and one of my guy mates jokingly grabbed and tickled me and I instantly got horny. At first I thought I liked him, but it happened again when a female friend tickled me. Now I'm confused – is being tickled a real fetish?

ELLIE, BENDALONG, NSW

TRINITY SAYS: *Yeah, of course it is.*

TRINITY'S CONFESSION

I've got a soft spot for foreign guys. I reckon there's nothing sexier than fucking a bloke and having them whisper something filthy in my ear in either another language or in a sexy accent. It's a massive turn-on for me!

There are all sorts of unexpected things that can tickle people's fancies (pardon the pun). Embrace it, babe.

DICKING ABOUT

I BOUGHT this dick ring thing the other day and I just wanna know how many times I can use it before I should chuck it out. It's already looking rank, but it was like \$13 and I wanna get my monies worth.

BUGSY, DURACK, QLD

TRINITY SAYS: *Mate, you spent \$13, what do you expect? You get what you pay for, don't be a tight arse. You spend more, you get more.*

DOG GAY AFTERNOON

I WAS having a wank the other day and my dog walked into the bedroom and stared at me while I was going for it. I was about to tell him to get out, but we locked eyes and I just kept going and eventually blew my load without breaking eye contact. It felt really sexy. Do you reckon my dog's a pervert?

STINKY PETE, TARONG, QLD

TRINITY SAYS: *Mate you're cooked – jacking off and making eye contact with your dog, you bestiality weirdo! Get away from the animals, you absolute fucken sicko!*

TRINITY WANTS TO HEAR FROM YOU!

OUCH FACTOR

88%

He's on US\$32 million a year, for fuck's
sake. That buys a lot of Panadol.

IT'S not true what they say – white guys CAN jump. They just can't land for shit.

That's the tough lesson big Gordo Hayward, forward for the Boston Celtics basketball team, learned the other night while playing against the Cleveland Cavaliers.

He went up like a soaring eagle and came down like a busted duck, his left ankle doing a sideways dipsy-doodle as he hit the floor.

We're pretty certain ankles aren't supposed to do that, but hey, we're not doctors.

Then the usual stuff happened – some of the other players up-chucked on their size 14 basketball shoes, some got down on one knee and prayed, most likely thanking MIGHTY GOD that it didn't happen to THEM, while others checked their Facebook pages.

Gordo was carted off to lick his wounds on a big mattress full of crisp

fiddies, and the game continued.

Guess what? The Cavaliers won it 102 to 99, so Gordo – GET UP YA SOOK, and start earning ya money. **Picture**

WHAT A BOOTY!

**"ANAL SEX IS
THE ANSWER
TO WORLD
PEACE"**

FORGET flipping patties and tossing chips like other 21-year-olds, Alex Grey spends her days rooting up a storm for bulk cash.

The champion chonker from Georgia, USA, got into the jizz biz at the ripe old age of 19. And in the two years since, she's managed to cross things off her list that take some porking performers their entire career to do, including anal, DPs, gangbangs and bondage.

We caught up with Alex to see if there's anything else she enjoys doing aside from being filled with MONSTER DONGS.

"I write poetry," reveals the fair-haired fuck fiend. "Here's a sample, 'Roses are red, violets are blue, I want your cock in both holes, and my mouth, too.'"

You're a modern day Billy Shakespeare! Are you a bit of a girly-girl? Do you like getting glammed up?

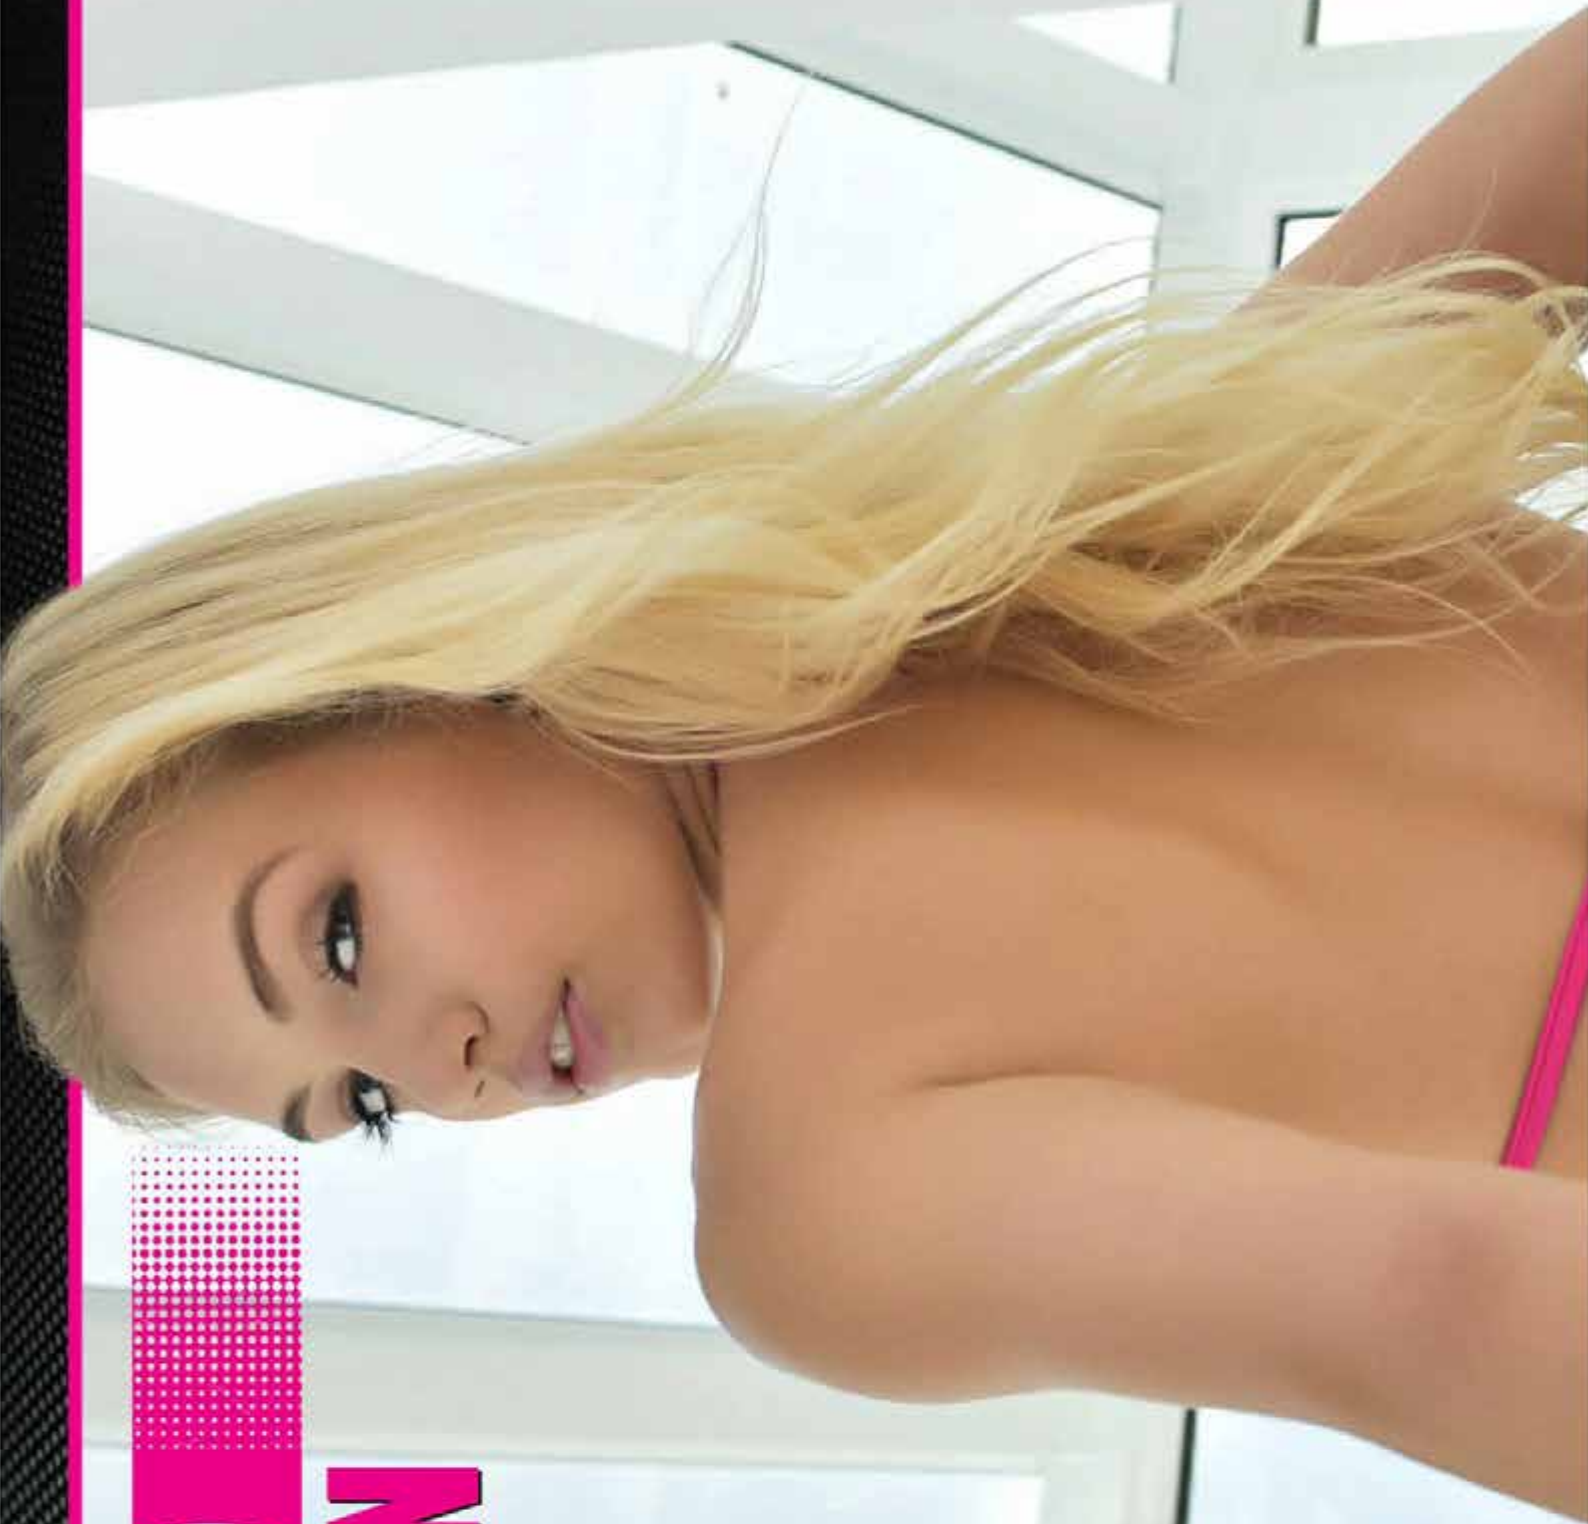

"I love being on set and having my hair and makeup done perfectly – then destroying it with great sex!"

BORN *for* **PORN!**

**"I WAKE UP
WET EVERY
MORNING"**

You're known to love a bit of BUM FUN – do you prefer it to regular rooting?

"No, I'd never neglect my pussy. It might stop coming for me."

You don't want that. What's so great about taking it up the Caadbury canal?

"It's filthy. It's exciting. And I can play with my pussy while your cock is balls-deep in my little arsehole. I truly believe that anal sex is the answer to world peace."

Tell that to that fat North Korean bloke. How often do you have sex?

"I wake up wet every morning, so every day if possible. If not – thank you, Hitachi!"

How does a fella make you come?

"I'm turned on by hair-pulling, choking, spit, but you can just rub my clit the entire time we're fucking to make me come."

Duly noted. What's the wildest thing you've ever done?

"Given an ex-boyfriend road head and then made out with a different ex a few hours later."

Got any plans for the future?

"To keep doing what I'm doing. I love my job. I love my life."

Great! Sounds like we're gunna have to invent some new sex possies for ya though, Alex! ■ Picture

THE RAC PAC

Ingrid and her lovely jub

GERMANY sure does sound like a beaut place – heaps of beer and pretzels, snags galore and those sexy dresses that Sheilas wear at Oktoberfest. Now we can add one more thing to that list – Ingrid.

The 22-year-old FREAKY FRAULIN is currently backpacking her way around Godzone meeting the wildlife and rooting the odd lucky bloke.

"I like visiting all the beautiful places in Australia," revealed the German stunna. "I like the men here very much, they are so sexy."

How kind of you, Ingrid. Have you had a chance to sample the local BLOOD SAUSAGE?

"Yes. Me and a friend, we caught a lift with these surfer guys from Cairns to Brisbane. We stopped off many times and had sex at campsites, the beach and of course in the big car we had."

Ever get busted in the act?

"One time, yes. It was at a campsite and me and the guy, Josh, had sex in the showers at the toilet block. We thought we were the only ones in there because it was late at night, so I was being a bit loud. But when we come out there was a few people

standing there with shocked looks on their faces."

What's been your fave place Down Under so far?

"I love Byron Bay. Such lovely people and there is a very nice feel to everything."

Didja head to Nimbin and try the ELECTRIC CABBAGE?

"Not me, I don't do any drugs, just drinking. But I heard some people talking about this place. Sounds interesting, but not the place for me."

What about CHONKING CHICKS – is that something you're into?

"I have just experienced kissing girls since I got to Australia. When I am in a pub or club here all the guys love to see the girls kiss. And I think it feels very sexy."

Who are better kissers – fräuleins or, um, blokes?

"I have only kissed ladies when I am drunk, so my best kissers are all from the men. Maybe I will have to try and kiss some more people!"

We'll drink to that! ■ **Picture**

My Worst Fuck

CLOSE, BUT NO CIGAR

I THOUGHT it was gunna be the best root of my life, but it turned out to be the worst.

Isabel was a hot 19-year-old who just exuded sex. I was obsessed. And I wasn't the only one – most of the blokes I knew would've given their right arm to root her.

Anyway, there she was at a party, giving me the bedroom eyes and rubbing her hot bod up against me.

When she leaned in to give me a tonguey I was in heaven. When she whispered, "Is there somewhere we could go?" I nearly shot my bolt on the spot.

Trouble was, every other bloke at the

party was giving me the evil eye 'cos they all wanted what it looked like I was gunna get.

I had brought my sleeping bag so I could crash out later, so I grabbed that and steered Isabel outside towards the dark end of the backyard.

Little did I know that several pairs of envious eyes were watching us as

Isabel slithered out of her clothes, revealing her magnificent tits and little landing strip in the moonlight.

I was naked and slipping on a franger in a fraction of a second, was just about to slide my dick into her when whack, something hit me on the back.

Then something else, then more shit rained down on us – cans, apple cores, then a bag of lawn clippings.

Turned out that jealousy had got the better of Isabel's other admirers and they were all crouching in the dark chucking crap at us.

Isabel simply said "Fuck this!", grabbed her clothes and bolted. I was left lying there naked, covered in crap. And I never got another shot at her.

Not so much the worst root, as the root that never was, but it still makes me wake up screaming to this day.

L.Y., PICNIC POINT, NSW

MUST TRY HARDER

YOU know how they say that not-so-hot chicks are better roots 'cos they try harder? It doesn't always apply.

I'm no great stud, but I always put in the effort when I get a chick in the cot, 'cos it makes it better for both of us. And I expect it to cut both ways.

So... I was tuning this girl up at the pub one night. She was plain-looking and overweight, but she seemed keen. I hadn't had any for a while so when she asked me back to her place I thought, "Hey, it'd be good to blow the cobwebs out."

My first inkling that this wasn't gunna be the fuck of the century was when we went into her bedroom. It was a shambles – dirty clothes all over the floor, and a couple of greasy dinner plates. When I looked at her unmade bed I could see the sheets were grimy and there were stains I didn't even wanna know about.

But I was already there, so I figured let's get down to it.

Miss Good Housekeeping switched off the lights off and we jumped in between the clammy sheets. That's when my toes hit a half-eaten packet of chips. I managed to kick it out and push on, but I was rapidly losing it.

Then she proceeded to give me the worst blow-job I'd ever had – all teeth, and with her wheezing like an asthmatic bulldog.

But still I kept going. I managed to manoeuvre myself between her thighs and did my Boy Scout best, while she just lay there, occasionally scratching her arse. She came, I faked it, then she pushed me off, rolled over and farted on me. I lay awake all night listening to her snore. It was the worst.

In the morning when she asked me round to her mum's for Sunday lunch I told her I had terminal cancer and would have to take a rain check.

COW-POCALYPSE!

ME AND my girl are always up for outdoor sex, so when we were driving up to the Goldie she kept her eyes peeled for likely rooting spots.

We took back roads so we could find good places, and on one quiet stretch of road she suddenly squealed: "Quick! Pull over!" and pointed towards this spot down by a creek across this paddock.

I hit the stoppers, we jumped out, and seeing there was no-one around, we climbed through fence and headed to a shady spot with our trusty rooting blanket.

The fact that there were mountains of cowshit around should've tipped us off, but despite the smell and the flies we settled into a happy 69er.

We were so into it we didn't notice the herd of cattle gathering around us until they started mooing aggressively.

I got a shock when I looked up, but I thought, "They're just fucken cows," and went back to munching on Shay's juicy snatch.

Then they started marching towards us. Shay stopped sucking my dong and yelled "Shit, it's a stampede!" and jumped up.

It was a bit of an exaggeration, but these fucken cows just kept coming towards us. As we backed away, they started trampling over our blanket, so we went into the creek, which was all slimy with cow shit, and stood there naked while they stared at us.

Maybe we'd picked their favourite spot

to root on, but they weren't gunna back off, and every time we went to get out of the creek they crowded towards us like they were gunna mug us.

Eventually we had to walk along the creek a bit so we could go around them, and I had to do the brave boyfriend thing and run back and grab our clothes. We had to leave our beloved rooting blanket behind, but.

We laugh about it now, but it was fucking frightening at the time.

"I love the feeling when the guy comes"

ALYSSA MAY
SYDNEY, NSW

Twenty-year-old Alyssa May has a secret obsession with socks and candles. Yeah, we know. More interestingly, she enjoys "the connection with the other person" most when trying on a Wellington boot. **How does it feel when it all goes right?** "I love the feeling when the guy comes." **Because sex can be thirsty work?** "It means I am doing something right." **And where should he deliver this**

connection-satisfying spurt of come? "Anywhere, really." **On the bus home it is, then. What about women, have you slept with them?** "Both women and men." **And what do you like about a bit of girl-girl action?** "Women have a gentler touch, which is nice for a change." **HAVE YOU EVER HAD SEX ON THE BEACH?** "No, I haven't had sex on a beach. But it is on the bucket list."

KJ
SYDNEY, NSW

BEAUT BUM

Our 31-year-old swinging mate KJ has been busy. "I was meeting a friend's boyfriend for the first time and we all hit it off in the living room after a few home recipe cocktails." **And a game of Yahtzee?** "Well it started with me

wanting to do body shots because it looks fun and the rule was you couldn't do it off the person's body you arrived with. Naturally body shots turned into nipple sucking and then the girls had to return the favour."

Naturally. "I like to keep it intimate as there is more time to explore each other's bodies and a more in-depth experience." **We're also a fan of in-depth experiences. Especially if they involve you, KJ.**

EVER HAD SEX ON THE BEACH? "While walking along the beach late at night, we ended up stripping off right then and there and laying down on a jacket on the sand. Afterwards we went for a skinny dip."

"We used the shower to wash it off and continued our fun"

BELLA TRIXX
NOOSA, QLD

"The funniest thing that has happened to me during sex would be when using a new sex toy went horribly wrong," says 26-year-old Bella Trixx. **How wrong?** "Let's just say it got stuck which resulted in a rather funny trip to the

doctor. Had it been a female doctor I probably would have been way more comfortable. But the male doctor was really nice and said it's not the first time he had seen it. That one was thrown away but I've since bought a new one.

But now, whenever it's used I make sure it's done safely to avoid any more embarrassing trips." *Atta girl, Bella. Safety first.*

EVER HAD SEX ON THE BEACH? "Plenty of times, there's just something about being at the beach in summer that makes me get turned on. The sand didn't bother me because we ended up using the shower block to wash it off and continued our fun."

PAM, DRAYTON QLD

GINGER SAYS: "I love just showing my whole self. I believe

people should love their bodies completely and so I try to put it in practice so other women hopefully do the same. I got the confidence through my ex-domme telling me I was perfect just how I am. I could tell she meant it."

"I love eating pussy and having my boyfriend watch"

SADIE
BROOME, WA

"My boyfriend and I love including other people in the bedroom," says 25-year-old bartender Mily. "We've had a threesome with a girl, and we've had an orgy with two other couples at a swingers' club. I think I liked the threesome better, we were able to focus on the one other person. With six people there are just too many body parts flying around." *What else gets you off?* "Anal, and I love eating pussy and having my boyfriend watch. I'd like to try DP, but we have yet to seize that opportunity. I know it would definitely make me come and I would go wild." *Well you never give up on your dreams, Sadie. And be sure to let us know when you succeed.*

EVER HAD SEX ON THE BEACH? "We were up on a dune and could see the beach full of people but no one could see us. It was a lot of fun because it felt so naughty."

"Nobody licks pussy like a man"

\$400 HOMIES WHO LOVE HOMIES

RUBI & PIPER
BRISBANE, QLD

Twenty-year-old babes Rubi and Piper know their way around the naked female form.

Rubi: "For sure, I've been with a couple of girls." **And you, Piper?** **Piper:** "Not as many as I would like to." **You gave Rubi a good go**

here. **Piper:** "Rubi has the best arse. I love having a squeeze and a play." **What makes lesbo love so beaut?** **Rubi:** "It is a lot more fun and a lot more sensual." **What do girls do better than guys?** **Piper:** "Girls are way

better kissers." **Rubi:** "They know how to get you real wet." **What do guys do better?** **Rubi:** "Sometimes you just need it deep." **Piper:** "Nobody licks pussy like a man."

EVER HAD SEX ON THE BEACH?

Rubi: "Yes, I just put a towel down so I did not get sand in my bits."

Piper: "Of course, there's nothing better than watching the sun rise while getting screwed. The sand is always annoying, though. That is when you take it into the water."

MARY JAYNE

MELBOURNE, VIC

Not only does this 23-year-old have an arse that's hotter than SATAN'S BALLS, she likes having things PUT IN IT when she's getting laid. "Lately I've been playing around with a lot of toys, and the butt plug really gets me off," announced Mary Jayne, who's no relation to Miss Jane from *Mr Squiggle*. **Do you PUNCH THE CLOWN as much as us?** "I sometimes masturbate when I'm bored – I guess it depends on how much sex I'm getting. The other day I played with myself for a few hours in the lounge room – rubbing my clit and touching my arse – before waking up my man so he could fill my hole." **We're gunna go SLAM OUR COCK IN A DOORJAM now.**

"The butt plug really gets me off"

**"I like it

SKYE

GOLD COAST, QLD

Skye is 19 years old. It doesn't seem like that's long enough to grow a pair of HUGE TITS like hers. "I guess I'm just lucky to have such big boobs," she told us. "I work in Hungry Jacks and lots of customers glance down at them." ***You should be working in Hooters instead!*** "A few people have told me that. The only downside is trying to find bras in my size." ***Try using a pair of spinnakers. Do you flash the girls in public?*** "I have a few times when I've been drunk. During sex I like them played with – and my arse, too." ***Sorry, we forgot all about that.*** "My favourite way to have sex is doing it doggy style." ***Funny, Scooby Doo says exactly the same thing.***

"I like the man to take control of me"

SCARLETT

ADELAIDE, SA

"I love rough foreplay," reckons 25-year-old Scarlett. "I like the man to take control of me before he even begins. I really enjoy being tied up, spanked, my hair been pulled fully back and for him to deeply penetrate me." **When did you realise you were up for the rough stuff?**

"Going from the first time a male actually took control of me like a real man." **Are you ever the boss**

and take control? "It depends on my mood at the time."

EVER HAD SEX ON THE

BEACH? "Oh my god, I've actually always wanted to have sex on the beach. I haven't had the chance as the guys I've gone for are too embarrassed. It's definitely on my to-do list. The only other place I've done it beside the bed is at the cinema, which was such a thrill."

CANDY
NOOSA, QLD

**TOP
TITS**

"My fondest sexual encounter is probably being eaten out for the first time by my best friend," recalls 25-year-old Candy. "Back then I was only majorly interested in girls because they

have the gentle touch and know where the spot is." *Have you since moved on to solids?* "Now I have started to enjoy both male and female company." *What surprised you the first time*

you ate some pussy? "How good it tastes and how sweet it smelled." *Are guys or girls better at eating you out?* "Depends on the person, but I would say, if experienced, definitely girls."

What about inexperienced ones? "A shy female wouldn't necessarily hit 'that spot'." **EVER HAD SEX ON THE BEACH?** "I've had sex on the beach too many times to count. I got my girlfriend to go down on me. She loved it."

"I love being
nude in
front of the
camera"

ERIN
MELBOURNE, VIC

This is Erin's first nude shoot, but she's had more experience being naked in public than your friendly neighbourhood flasher. She's even had sex on public transport! "I did it on a train coming back from the city one night," admitted the 22-year-old uni student. "I was a bit drunk and it was so much fun." *Is drunk sex any better than regular rooting?* "I think it is. And I think guys are better in bed when they've had a few drinks. I think they last longer." *Where's the worst place you've done the deed?* "On a driveway.

It's the worst case of gravel rash I've ever had. I don't think I'll do that again." *Have you ever been caught?* "Only once. We just laughed it off. People need to relax more about nudity and sex. It's a perfectly natural thing." *Did you have fun doing this shoot?* "So much fun! I love being nude in front of the camera." *Great, then we'll expect another shoot from you NEXT WEEK!*

EVER HAD SEX ON THE BEACH?

"Not yet. It is on my to-do list, though. It sounds like it could be really romantic!"

ZOMBIES

01.

The first zombie movie was 1932's *White Zombie*, starring Bela Lugosi.

02.

The brain-eating thing didn't come into zombie lore until 1985's *Return of the Living Dead*. Before then they just ate human flesh.

03.

Pommy band The Zombies had a number one US hit in 1964 with the song *She's Not There*.

04.

In Haiti, the home of zombie-dom, heaps of people believe in zombies and reckon you can be turned into one by a voodoo witchdoctor with a combo of puffer-fish venom and datura, and then being buried for three days.

06.

Haitian dictator Jean-Claude "Papa Doc" Duvalier's secret police, the Ton-Ton Macoute, reportedly turned some of their torture victims into zombies.

07.

The Zombie is also a cocktail, invented by Hollywood bartender Don Beach in 1939. Its ingredients include three kinds of rum, fruit juice and Pernod. Boing!

08.

Top zombie TV show *The Walking Dead* (only they call them "walkers") has just started its eighth season and the producers reckon they're got enough stories for another seven!

09.

Apparently, they don't really exist (yeah, right...)

05.

In the most famous "zombie" movie, George Romero's 1968 classic *Night of the Living Dead*, the word zombie is never mentioned.
